ENGLAND HOCKEY BOARD PRIORITY & CENTRALISED CALENDAR 2010-11 (v9 - April 2010)

The following pages include the updated version (v9 - April 2010) of the EHB Priority and Centralised Calendar for 2010 - 11, notes to be read in conjunction with the calendar and a glossary of terms. The purpose of the priority and centralised calendar is to provide clarity on when the different competitions and activities should take place. The competition/activity listed on each date is what players of that specific age should take part in. Where possible school holidays have been taken into consideration, but due to the volume of activity that is to be run this is not always possible.

Since the draft version was released in December 2009 a number of changes have been made to address certain dates in the calendar. The updated calendar (along with the notes below) shows the final dates for the 2010-11 season.

Week 44 to week 4

This period is prioritised for JDC preparation activity. This can be delivered on weekday evenings or on Sundays. Players should receive approximately 12 hours of delivery in the preparation phase, and therefore it is likely that not all specified dates will be required. During September there is one Sunday prioritised for JDC preparation (week 2 - 12.09.10).

Rest periods

The months of June (weeks 40 - 43) and December (weeks 14 - 17) are rest periods.

Week 19

This week is left blank as a free date, but can be used for JAC assessments if required.

Emerging schools competitions and schools festivals

These have been prioritised midweek during the competition periods (weeks 6 - 13 and weeks 31 - 39). They should be coordinated at a local level as required by local schools.

EHB Schools' competitions

Currently there are no dates for the above competitions included at U18, U16 or U14s for county, regional or national level. Due to ongoing work with schools the number and timing of dates will be confirmed as soon as there is an outcome to this work.

Club participation in leagues

Specific dates have been set aside for clubs to participate in local/county/regional leagues. The organisation of these will be specific to local areas. Week 1 (05.09.10) is prioritised for club preparation (for all players not involved in JRPC).

Junior indoor finals

The EHB Board agreed that the Indoor Finals Day will be only a one day event in 2011. It will not be possible to host the junior finals at this event and all competitions will reach a conclusion at their respective finals weekends - Schools on 15-16 Jan, Clubs on 22-23 Jan.

ENGLAND HOCKEY BOARD PRIORITY CENTRALISED CALENDAR 2010-11 (v9 - April 2010)

Additional detail

The senior priority column is indicative and supplied for reference only. Please note that dates included for EHL etc are not final. As such, any 'clashes' between senior and youth programmes considered relevant can be further reviewed.

The priority for U18 players is with the age group event not the senior event in case of any clashes.

Performance - Senior GB, Eng, Eng Indoor, GB Super Lge (GBSL) preparation dates are included where known

Performance/Regional activity will have priority over Senior Cup

National (England) U16/U18 programme dates are not included. Priority for players included in these programmes will be to the National Age Group activity. Every effort will be made to ensure that major club and school events are not timetabled to coincide with National age group activity
